

*The Solid Waste Agency  
of Northern Cook County  
now offers residents 10  
yard roll-off containers  
for rental. Ten yard roll-  
offs are the perfect size  
for cleaning out your  
attic or basement,  
property renovations or  
any home remodeling  
project. Contact SWANCC  
to reserve yours today!*

**SWANCC.ORG**

If your job is not big enough for a roll-off,  
bring your waste to the Glenview Transfer  
Station. Visit our website for further details.

Solid Waste Agency of Northern Cook County  
2700 Patriot Boulevard Suite 110  
Glenview, Illinois 60026

can help!**

*5 pickup loads = 1 roll off*

# WASTE REMOVAL PROGRAM

WOULDN'T YOU RATHER HAVE SOMEONE HAUL IT AWAY FOR YOU?

*Cleaning out your garage?*  
Remodeling the kitchen yourself? Spring cleanup and home remodeling projects are made easier with a roll-off container. Home improvement projects often produce more waste than your garbage service will take. To save time and money, call SWANCC at (847) 724-9205, or visit [swancc.org](http://swancc.org) for details. Major credit cards, cash or checks are accepted to rent the 10 yard roll-off. Next day delivery is available and the rental period is five days. If your project is completed ahead of schedule, simply call us to have the

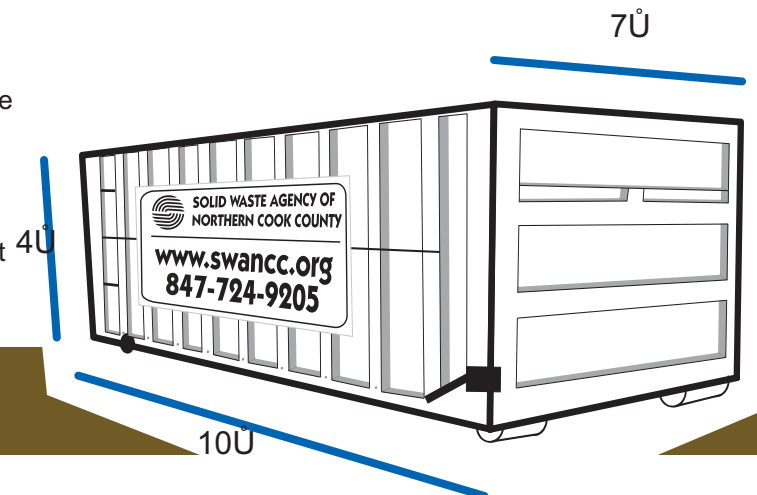

container removed. It fits easily into most driveways, allowing you flexibility and convenience.

**This program is for residents only.**

Payment terms are by credit card when the Agency's service provider calls to confirm the order. Cash or check is also accepted at the time of delivery.

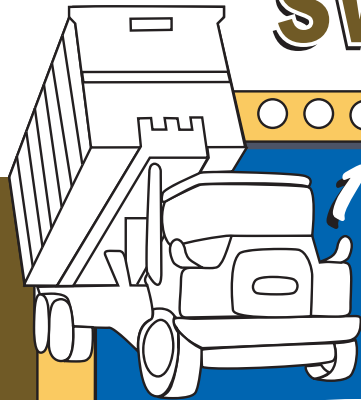

**NO** roofing materials, hazardous waste (paint, cleaning products, motor oil or automotive batteries), asbestos, asbestos shingles, concrete or asphalt will be accepted.

The dimensions of the 10 yard roll-off is 10 feet long by 7 feet wide and 4 feet high. It holds roughly 2-4 tons of waste materials. This equals 4-6 pickup truck loads. Renting a roll-off eliminates your waste as well as the hassle of traveling to a dump site multiple times. We bring the roll-off to your location, give you 5 days to use it, then we come back and pick it up. What could be easier?

*Call SWANCC at (847) 724-9205 to reserve a 10 yard roll-off today!*
